A sponsorship is a great way to gain publicity for your company as well as giving to a great cause during these trying times. Thanks for your consideration and any support.

We have a variety of sponsorships that you can choose from that are listed below but we are open to any other ideas that you may have that can support our cause.

### Raffle Prizes

At the end of the tournament we will be raffling off prizes to raise more money for the Charities, but we need your help. The more raffle prizes we can get, the more money we can give to our Charities. This is an easy way to get more publicity for your company. You can add a prize to one of our other sponsorships or have it be a stand alone donation. We will advertise who donated the item heavily either way.
