

Sponsor Recruitment

U.S. Hotshots Association

2023 Sporting Clay Shoot Fundraiser

The US Hotshots Association's (USHA) primary mission is to provide support to Hotshots and their families when in need. The USHA has established a scholarship program and in the last two years has awarded approximately 20 scholarships. Another recent venture of the association has been to provide a Staff Ride during our annual conference. The 2022 conference included the Loop Staff Ride and the planned 2023 conference will include the 2003 Cedar Staff Ride in San Diego County. It takes your support to carry out the mission of the USHA.

This is the 2nd Annual (minus a few covid years) Sporting Clay Fundraiser that is sponsored by the U.S. Hotshots Association. This event will be held at Kern County Gun Club on April 28 & 29, 2023. Please join us in the success of this year's event.

To make a sponsor donation please register at:

1. ***Online sponsor registration at www.ushotshots.com***

2. ***Or remit by check to "U.S. Hotshot Association"***
